### **Opening**

My Salon Suite plans to open a 5,500-square-foot upscale beauty complex at 2715 Main St. in Highland later this year, where hair stylists and other salon professionals will be able to rent 29 salon suites.

“When we started looking at different franchising concepts, we knew we wanted something that would fit with our lifestyle, personalities, skills and interests — we found all of this with My Salon Suite,” franchisee Robert Gerick said. “We love that My Salon Suite allows us to operate our own business, have a flexible work-life balance and work directly with talented beauty professionals from our area. We’re looking forward to introducing the Highland community to the suite life.”

The fast-growing company, which was founded in 2010, now has about 50 salon complexes across North American, and aims to have 100 nationally by the end of this year.

“We empower beauty professionals to become salon entrepreneurs with their own suites, while providing them with all of the resources they need to success,” Gerick said. “Plus, for our members’ clients, we offer an environment to escape from the stresses of the day in a quiet, private setting where they are treated to an upscale salon experience like no other.”

Each suite features a full-length style station, styling chair, shampoo sink and color station, and the building will have "a state-of-the-art security system, luxurious bathrooms and an elegant lobby."
