Potbelly Sandwich Shop

clteats Aww snap. @potbellsandwichshop just opened their second Charlotte location on Wednesday! The new location is in Piedmont Row Town Center and offers the same menu as the first CLT store in Uptown. We seriously threw down for lunch today including their new Cuban sandwich 🍷 and to-die-for chocolate and Oreo milkshakes. 🍷 The new Potbelly is open everyday so be sure to swing by soon to welcome them to the SouthPark neighborhood! 🍷
