Business Notes: Commercial cleaning service honored

Office Pride Commercial Cleaning Services awarded David Stein, owner and area developer of Office Pride of East Texas, and Bobby Halbrook, owner and general manager of Office Pride of Tyler, with the coveted “Half-Million Dollar Club” at the company’s recent annual retreat and awards ceremony.

The “Half-Million Dollar Club” award is given annually to the Office Pride franchisee who bills between \$500,000 and \$1 million within the year. Only 17 out of more than 100 franchises qualified for this recognition.

“It’s an incredible honor to be recognized by the franchise system, and it is a testament to the outstanding pride and care our team takes in our work,” Stein said. “We couldn’t have achieved the growth we did this year without the incredible commitment of our employees.

“It’s an honor to be a part of a franchise that not only provides us with the opportunity to grow and succeed, but also allows us to live our beliefs and values every day as franchisees.”
