## Beauty Businesses Respond to COVID-19 Crisis with Special Offers of Support for Stylists

By MODERN Staff | April 6, 2020

### SUITE MANAGEMENT FRANCHISING

Suite Management Franchising has launched an e-gift card portal for the Members that work out of MY SALON Suite and have been affected by stay at home orders. Members are each given their own website portal to sell gift cards which can then be sent to their clients as a way to pre-book appointments. It allows for clients to pre-pay for their appointment down the line and letting Members still earn money while being at home.
