**murphymeetsthemountains** We love our @wagnwash! This week, Wag N' Wash is All Fur Love ahead of Valentine's Day, so they invited us to stop in for a special treat and to show everyone why we love our local @wagnwashbroomfield

Wag N' Wash is so much more than a place for a good bath. They are a full-line specialty store for your pet, with fresh-baked treats, natural food, supplements, toys, gear and more! It's truly a one-stop shop for everything you need, not to mention the friendly people who give Murphy ALL the attention (and treatos!)

Wag N' Wash is all fur love, and we are all fur Wag N' Wash!
