**ManageMowed** has strengthened its national presence in the first half of the year with several new openings and signed franchise agreements.

Coming off a strong Q4 in 2020, the brand looked to continue its rapid franchise expansion heading into 2021. With four new territory openings nationally in Colorado Springs, Matthews, N.C., West Central Houston and Oklahoma City as well as three new signed franchise deals for locations in Travis North and Wilco South, Texas and South Charlotte, ManageMowed is executing its strategic growth plan successfully with highly qualified franchise owners.

Well-positioned to plant new seeds across the country in the latter-half of 2021, target growth markets for ManageMowed include California, Florida, Alabama, Texas, South Carolina and North Carolina as well as in markets contiguous with its existing territories across the West Coast and the Rocky Mountain region.
